

## TEMPORARY TRAFFIC ORDER

### Notice of Temporary Prohibition of Through Traffic Order

#### Road Traffic Regulation Act 1984 - Section 14 Fields Lane, Tallarn Green

Wrexham County Borough Council has made an Order which prohibits any vehicle from using that length of Fields Lane, Tallarn Green in the County Borough of Wrexham which extends from its junction with "the Lane" for a distance of approximately 180 metres in a southerly direction to adjacent the access to Oak Farm.

The reason for the closure is because works are being or are proposed to be executed on or near the road and because of the likelihood of danger to the public in order to enable Wrexham County Borough Council to undertake demolition of an existing brick arch culvert and construction works.

The alternative route available for traffic is via Fields Lane, Cae Lica Lane and Tallarn Green Road and will be signposted accordingly. Pedestrian access will be maintained throughout the period of closure. Access will be maintained throughout the period of closure for emergency vehicles.

This Order comes into force on the 1 September 2010 and will continue in force for a period of 18 months, or until the works are completed, whichever is the sooner.
