Natural Resources Wales

New bespoke application for an environmental permit under the Environmental Permitting (England and Wales) Regulations 2010.

We've received an application for a permit from RJS Civil Engineering Limited.

Permit number: EPR/GP3536NB/A001

Regulated facility type: Schedule 1 installation, Part 1, Section 5.2 Disposal of waste by landfill.

Regulated facility location: Parrys Quarry, Alltami, Flintshire, CH7 6NY

The application contains a description of the installation; the materials, substances and energy it will use and generate; the conditions of its site; the source, nature and quantity of its foreseeable emissions and their significant effects on the environment; the proposed techniques for preventing, reducing, and monitoring its emissions and preventing and recovering waste; and an outline of the main alternatives, if any, considered.

This information is held in registers at the following locations:

Flintshire County Council, County Hall, Mold, Flintshire, CH7 1NN & Natural Resources Wales, Chester Road, Buckley, Flintshire, CH7 3AJ

You can look at our register 9.30am-4.30pm, Monday to Friday. Please phone the Customer Contact Centre on 0300 065 3000 to arrange an appointment. You may get a copy of documents on the register. We may charge to cover copying costs.

If you have any comments send these by 22nd October 2013.

E-bost: permittingconsultations@naturalresourceswales.gov.uk

Or write to Wales Permitting Centre, Natural Resources Wales, 29 Newport Road, Cambria House, Cardiff, CF24 0TP.

Normally we must put any responses we receive on the public register. This includes your name and contact details. Please tell us if you don't want your response to be public.

We must decide whether to grant or refuse the application. If we grant it, we must decide what conditions to include in the permit. You can find information about how we make decisions at <http://naturalresourceswales.gov.uk/apply-buy-report/regulate-you/permit-publications/?lang=en>

The proposals which are the subject of this application are also separately the subject of an environmental impact assessment under the Town and Country Planning (Environmental Impact Assessment) (England and Wales) Regulations 1999, and you can get further information on this from Flintshire County Council.
