Cyngor Sir Powys

Rheoliadau Asesu Effeithiau Amgylcheddol (Gwaith Gwella Draenio Tir) 1999

Gwaith arfaethedig i liniaru llifogydd yng Ngheri

Mae Cyngor Sir Powys yn bwriadu gwneud y gwaith gwella canlynol:-

Gosod cyrbau ar y briffordd a gosod gwaith draenio newydd rhwng Pont Gilfach a'r fynedfa i Goedlan y Parc; draenio'r briffordd rhwng Dolforgan Lodge a'r Smithy; adnewyddu'r cylfat presennol ger Dolforgan Lodge; clirio'r cwrs dŵr ac adeiladu ffos agored newydd rhwng Argoed a Pharc Dolforgan, ac adeiladu perth a bwnd llifogydd newydd ar dir y tu ôl i Rodfa Penarron.

Nid yw'r Cyngor Sir yn ystyried y bydd y gwaith yn cael effaith sylweddol ar yr amgylchedd felly ni fydd yn llunio Datganiadau Amgylcheddol mewn perthynas â'r gwaith dan sylw. Gallwch weld y rhybudd ar www.powys.gov.uk. Gallwch hefyd weld y rhybudd a'r lluniau yn ystod oriau gwaith yn Nepo Kirkhamsfield, Ffordd y Trallwng, Y Drenewydd. Gwybodaeth ychwanegol gan Robert Gilman ar 0845 602 7035. Os ydych am wneud sylwadau ar effeithiau amgylcheddol y gwaith uchod, gallwch eu cyflwyno trwy lythyr at y sawl sydd wedi arwyddo isod erbyn 22 Ebrill 2014 fan bellaf.

Environmental Impact Assessment (Land Drainage Improvement Works) Regulations 1999

Proposed Flood Alleviation Works at Kerry

Powys County Council propose to carry out the following improvement works:-

Kerbing of highway and installing new drainage between Gilfach Bridge and the entrance to Park Avenue; installing new highway drainage between Dolforgan Lodge and The Smithy; renewing existing culvert by Dolforgan Lodge; clearing watercourse and constructing new open ditch between Argoed and Dolforgan Park, and constructing new hedge and flood bund to land to the rear of Penarron Drive.

The County Council considers the works will not have a significant effect on the environment therefore Environmental Statements in respect of the proposed works will not be prepared. The notice will be available at www.powys.gov.uk. The notice and drawings may also be examined during office hours at Kirkhamsfield Depot, Pool Road, Newtown. Additional information is available from Robert Gilman on 0845 602 7035. If you wish to make representations relating to the environmental effects of any of the above works, you may submit these in writing to the undersigned by no later than 22nd April 2014.
