

PROSIECT CYSYLLTIAD CANOLBARTH CYMRU – CYSYLLTU FFERMYDD GWYNT TRWY GANOLBARTH CYMRU A SWYDD AMWYTHIG

Fel rhan o'r broses gynllunio ar gyfer prosiectau seilwaith mawr, mae'n ofynnol i National Grid geisio canfod pawb sydd â buddiant mewn tir y byddai Prosiect Cysylltiad Canolbarth Cymru yn effeithio arno.

Rydym wedi nodi nifer o leiniau tir sydd heb eu cofrestru ac mae angen i ni ganfod pwy sy'n berchen arnynt a/neu sydd â buddiant arall ynddynt fel y gallwn ymgynghori â'r bobl berthnasol wrth i'n cynigion ddatblygu.

Mae mapiau ar gael i'w gweld yn y lleoliadau hyn:

- Llyfrgell Llanfair Caereinion
- Llyfrgell Llanfyllin
- Llyfrgell Croesoswallt
- Llyfrgell y Trallwng

Mae mapiau ar gael i'w gweld hefyd ar wefan ein prosiect

www.nationalgrid.com/cysylltiadcanolbarthcymru
neu drwy gysylltu â ni.

Os oes gennych chi fuddiant yn y tir, neu os ydych yn adnabod rhywun a allai fod â buddiant yn y tir, gofynnir i chi gysylltu â chynrychiolwyr National Grid, Bruton Knowles, gan ddefnyddio'r manylion isod.

Cysylltu:

Ysgrifennwch i'n cyfeiriad rhadbost:
Bruton Knowles
FREEPOST LAND RIGHTS BK

Ffoniwch y rhif rhadffôn:
0800 038 0660. Mae'r llinellau ar agor rhwng
9.00am a 5.00pm o ddydd Llun tan ddydd Gwener

Anfonwch neges ebost i:

REQUEST FOR DETAILS OF UNREGISTERED LAND

MID WALES CONNECTION PROJECT – CONNECTING WIND FARMS THROUGH MID WALES & SHROPSHIRE

As part of the planning process for major infrastructure projects, National Grid is required to attempt to identify everyone with an interest in land affected by the proposed Mid Wales Connection Project.

We have identified a number of plots of unregistered land and need to identify ownership and/or any other land interests so we can consult with the relevant people as our proposals develop.

Maps are available to view at these locations:

- Llanfair Caereinion Library
- Llanfyllin Library
- Oswestry Library
- Welshpool Library

Maps are also available to view on our project website
www.nationalgrid.com/midwalesconnection
or by contacting us.

If you have an interest in the land, or know someone who may have an interest in the land, then please contact National Grid's representatives, Bruton Knowles, using the details below.
