DYFNANT FOREST WINDFARM DEVELOPMENT

Public Information Days

ScottishPower Renewables is considering the development of the Dyfnant Forest, Nr Lake Vyrnwy as a potential windfarm. Drop in sessions have been arranged where our staff will be on hand to describe the project and provide you with an opportunity to discuss the proposals. These sessions will also allow us to answer any questions or queries you may have and provide you with further information.

If you have any queries or questions in the interim please contact ScottishPower Renewables using the details below.
