## **NATURAL RESOURCES WALES AND ENVIRONMENT AGENCY**

**Notice of approval of the updated river basin management plan for the Dee River Basin District from 22 December 2015 to 22 December 2021 by the appropriate authority, under Regulation 14(3)(b) of the Water Environment (Water Framework Directive) (England and Wales) Regulations 2003.**

The river basin management plan for the Dee has been approved by the Secretary of State for Environment, Food and Rural Affairs and the Minister for Natural Resources. The River Basin Management Plan is a plan for protecting and improving the water environment.

The approved River Basin Management Plan and supporting documents are available on the Natural Resources Wales web site at: <https://naturalresources.wales/water/quality/?lang=en>

You can request copies of the plan at Natural Resources Wales' principal offices: <https://naturalresources.wales/about-us/contact-us/our-offices/?lang=en> or phone 0300 065 3000.

In England, you can request copies of the submitted plan at the Environment Agency's principal office and principal area offices. The office locations can be found on the GOV.UK website at <https://www.gov.uk/government/organisations/environment-agency/about/access-and-opening> or via phone on 03708 506506.
