New bespoke application for an environmental permit under the Environmental Permitting (England and Wales) Regulations 2010

We've received an application for a permit from RJS Civil Engineering Limited.

Application number: PAN 000101

Regulated facility type: Schedule 1 installation, Part 1, Section 5.2- Disposal of waste by landfill.

Regulated facility location: Parrys Quarry, Alltami, Flintshire, CH7 6NY

This new bespoke permit application is for a new non-hazardous waste landfill accepting up to 325,000 tonnes of waste per annum incorporating stable non-hazardous waste cells for the disposal of asbestos waste.

The application contains a description of: the installation; the materials, substances and energy it will use and generate; the conditions of its site; the source, nature and quantity of its foreseeable emissions and their significant effects on the environment; the proposed techniques for preventing, reducing, and monitoring its emissions and preventing and recovering waste; and an outline of the main alternatives, if any, considered.

This information is held in registers at the following locations:

Natural Resources Wales, Chester Road, Buckley, Flintshire, CH7 3AJ

You can look at our register 9.30am-4.30pm, Monday to Friday. Please phone the Customer Contact Centre on 0300 065 3000 to arrange an appointment. You may get a copy of documents on the register. We may charge to cover copying costs.

If you have any comments send these by **2nd June 2016**.

A public surgery will be held at Beaufort Park Hotel, Mold on 17th May 2016 between 15:00 to 19:00. We look forward to hearing any concerns relating to this proposal.

Alternatively you can request a CD of the application by contacting us by email or in writing using the contact details below.

Email permittingconsultations@naturalresourceswales.gov.uk

Or write to: Wales Permitting Centre, Natural Resources Wales, Cambria House, 29 Newport Road, Cardiff, CF24 OTP.

Normally we must put any responses we receive on the public register. We will however remove your name and contact details before doing so.

We must decide whether to issue or refuse the application. If we issue it, we must decide how the permit conditions should be issued.

The proposals which are the subject of this application are also separately the subject of an environmental impact assessment under the Town and Country Planning (Environmental Impact Assessment) (England and Wales) Regulations 1999, and you can get further information on this from Flintshire County Council.
