Mae Cyngor Sir Powys wedi estyn y Gorchymyn i wahardd y defnydd o Llwybrau Troed Cyhoeddus, Llwybrau Ceffyl a Llwybrau Seiclo a nodir yn yr Atodlen isod, tra bod piblinell ddŵr yn cael ei gosod o Gronfa Ddŵr Gwasanaeth Llandinam i bentref Aber-miwl.

Mae'r Llwybrau'n cael eu cau am resymau diogelwch y cyhoedd a bwriedir iddynt fod mewn lle tan 18 Awst 2010 neu tan fod y gwaith wedi gorffen, p'un bynnag sydd gynharaf.

Powys County Council has extended the Order to prohibit the use of the Public Footpaths, Bridleways and the Cycle Path detailed in the Schedule below, while a water pipeline is installed from Llandinam Service Reservoir to Abermule Village.

The proposed closure is for public safety reasons and is intended to be in place until 18th August 2010 or until works have been completed, whichever is the earliest.
